

Welcome to the VCA Portal

Your online home for bar tabs, bookings, club events and more — right from your phone.

portal.vaalcruising.co.za

BEFORE YOU START

One login per membership

Your portal login is tied to the **primary member's email address** — the one the club has on file for your membership. That's the address to use both for signing in and for the password steps below.

Partners — please note: a partner's own email address won't open a separate portal account. The portal works on a **one-household, one-login** basis. If your partner would like to use the portal, they simply sign in with the **same shared login** — the primary member's email and password. You're both looking at the same membership, tab and bookings.

GETTING IN

Didn't set up your password in time?

When you join, the club emails you an invite link to create your password. That link is only valid for a short while. If it has expired — or you never got round to it — don't worry. You don't need a new invite. Just use the **Forgot password?** option to send yourself a fresh link. Here's how.

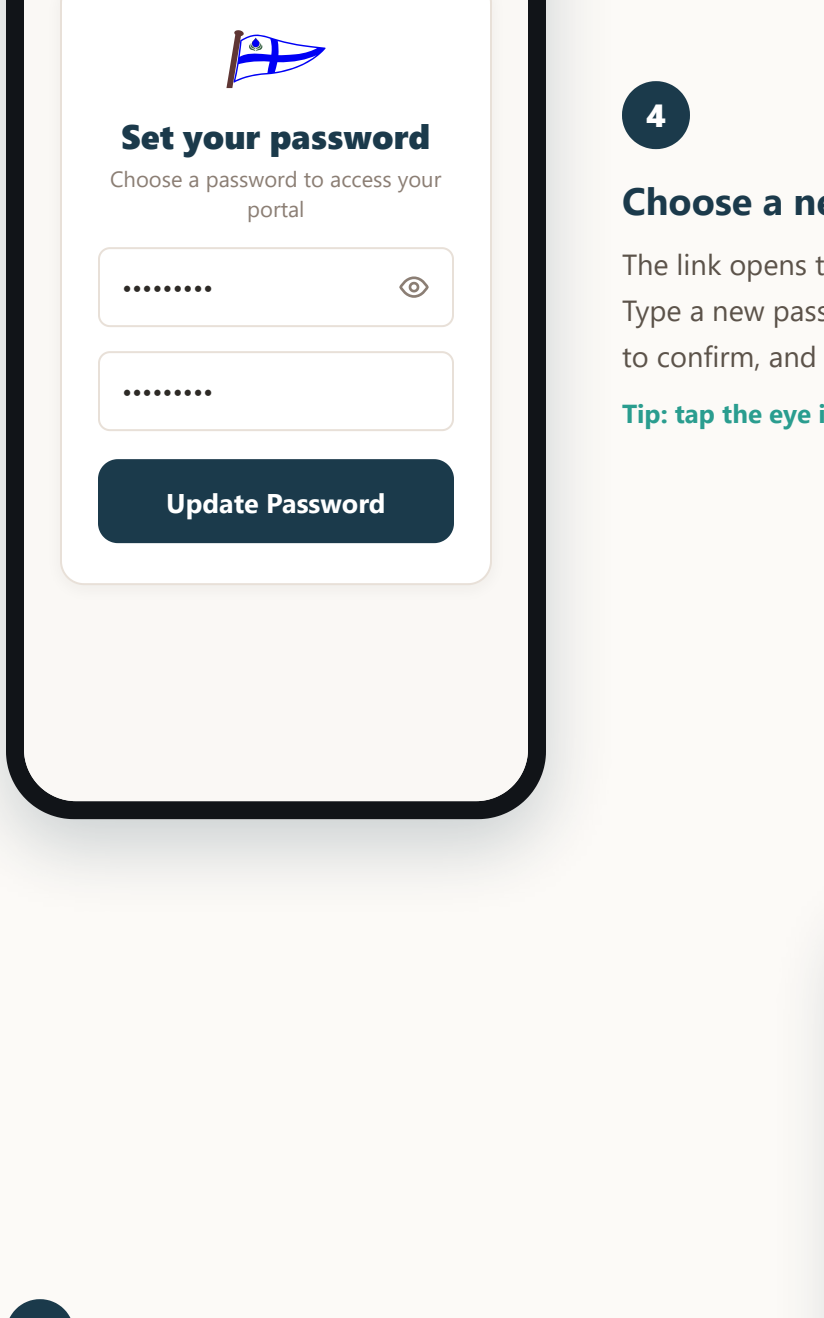

Good to know: your account already exists — the expired link only affects password setup. The reset link works exactly the same way and takes you straight into the portal once you choose a password.

1

Open the portal & tap "Forgot password?"

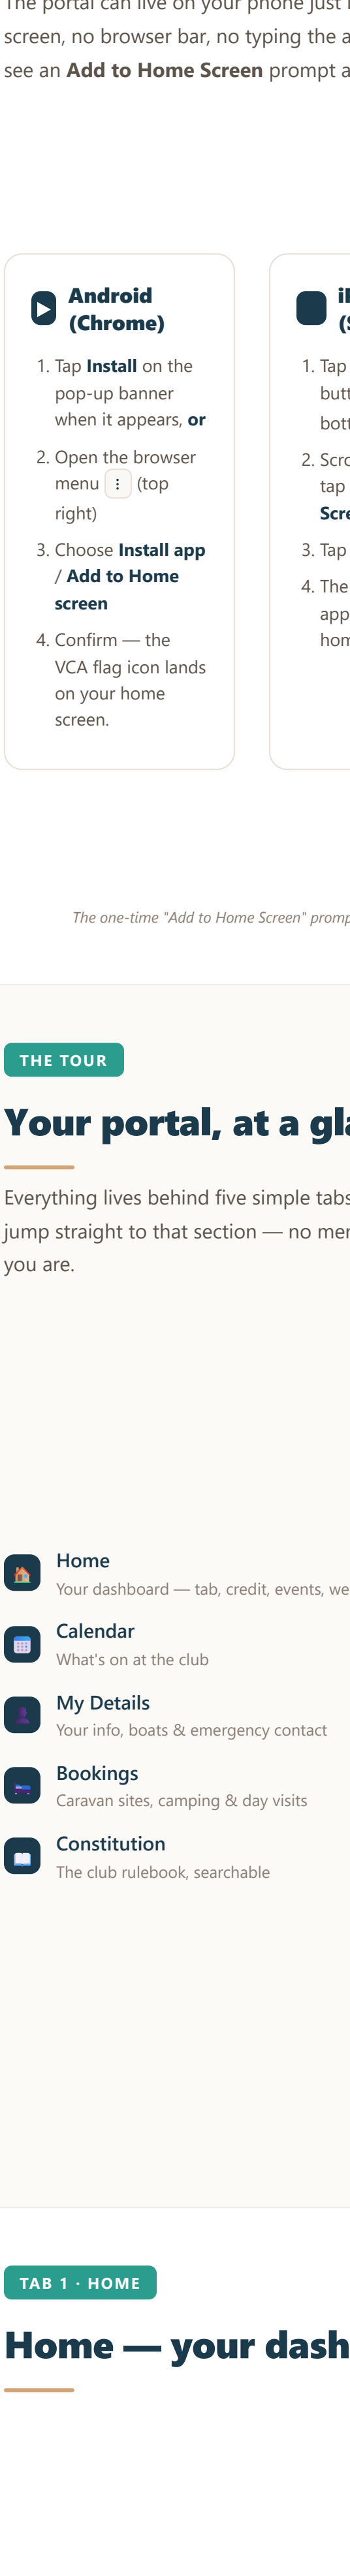

Go to portal.vaalcruising.co.za in your phone's browser. On the login screen, tap the **Forgot password?** link underneath the Sign In button.

2

Enter your email & send the reset link

Type the **primary member's email address**, then tap **Send Reset Link**. Use the same email your membership is registered under — that's how the portal finds your account.

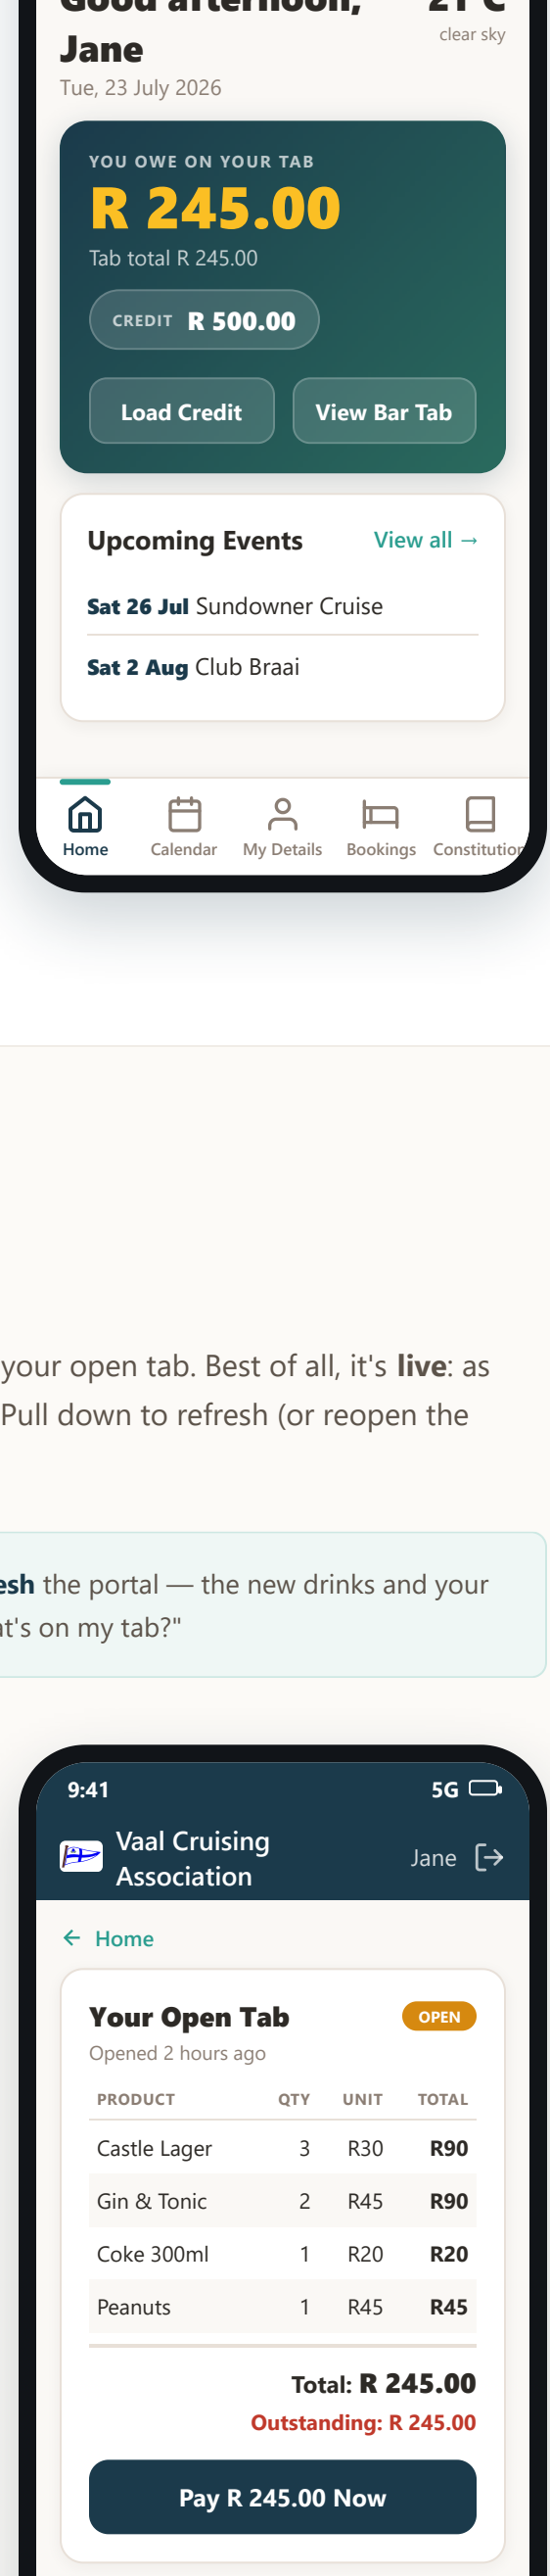

3

Check your inbox

You'll see a "Check your email" message. Open your email app and look for a message from the **Vaal Cruising Association**. Tap the **Reset Password** button inside it.

Can't see it? Check your spam / junk folder.

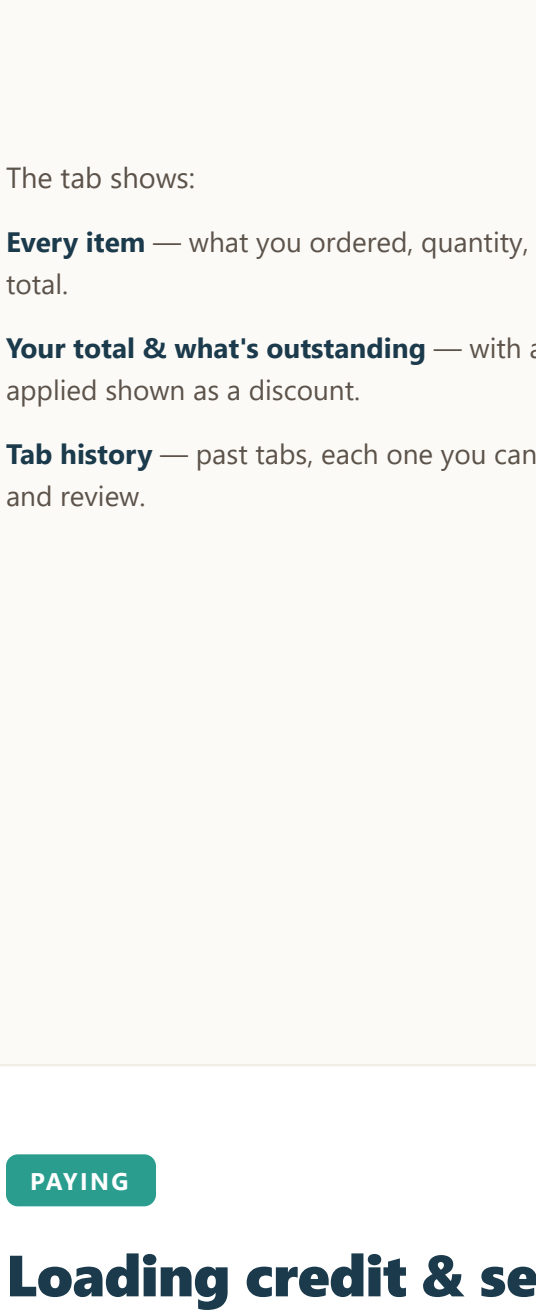

4

Choose a new password

The link opens the portal on a **Set your password** screen. Type a new password (at least **8 characters**), type it again to confirm, and tap **Update Password**.

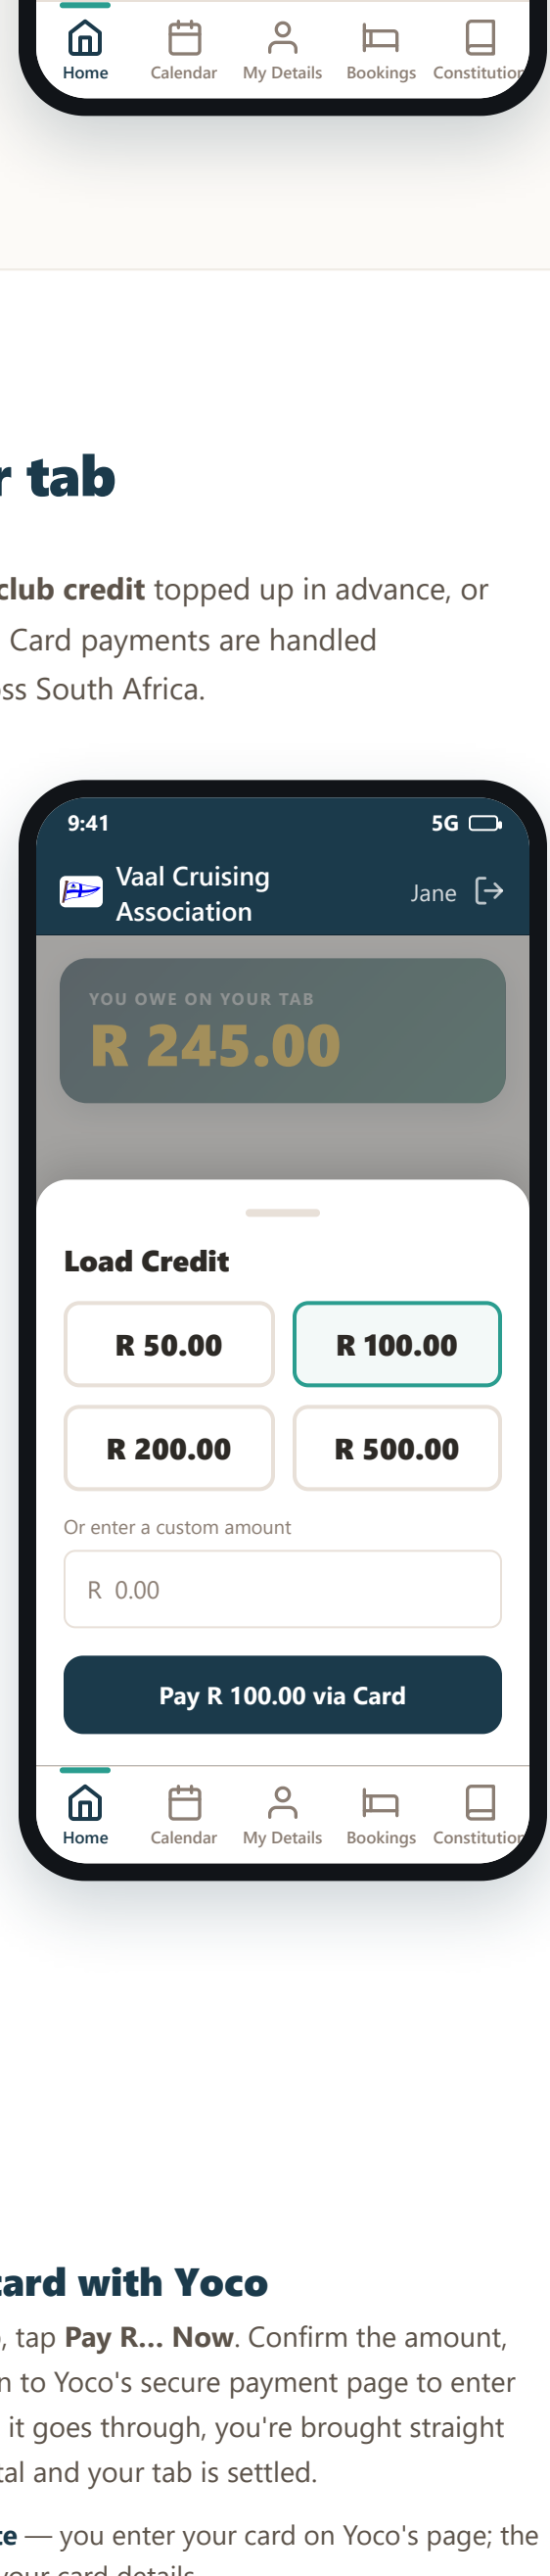

Tip: tap the eye icon to double-check what you typed.

5

You're in!

That's it — you're taken straight to your portal home. Next time, just sign in with the member email and the password you chose. The portal remembers your email for you.

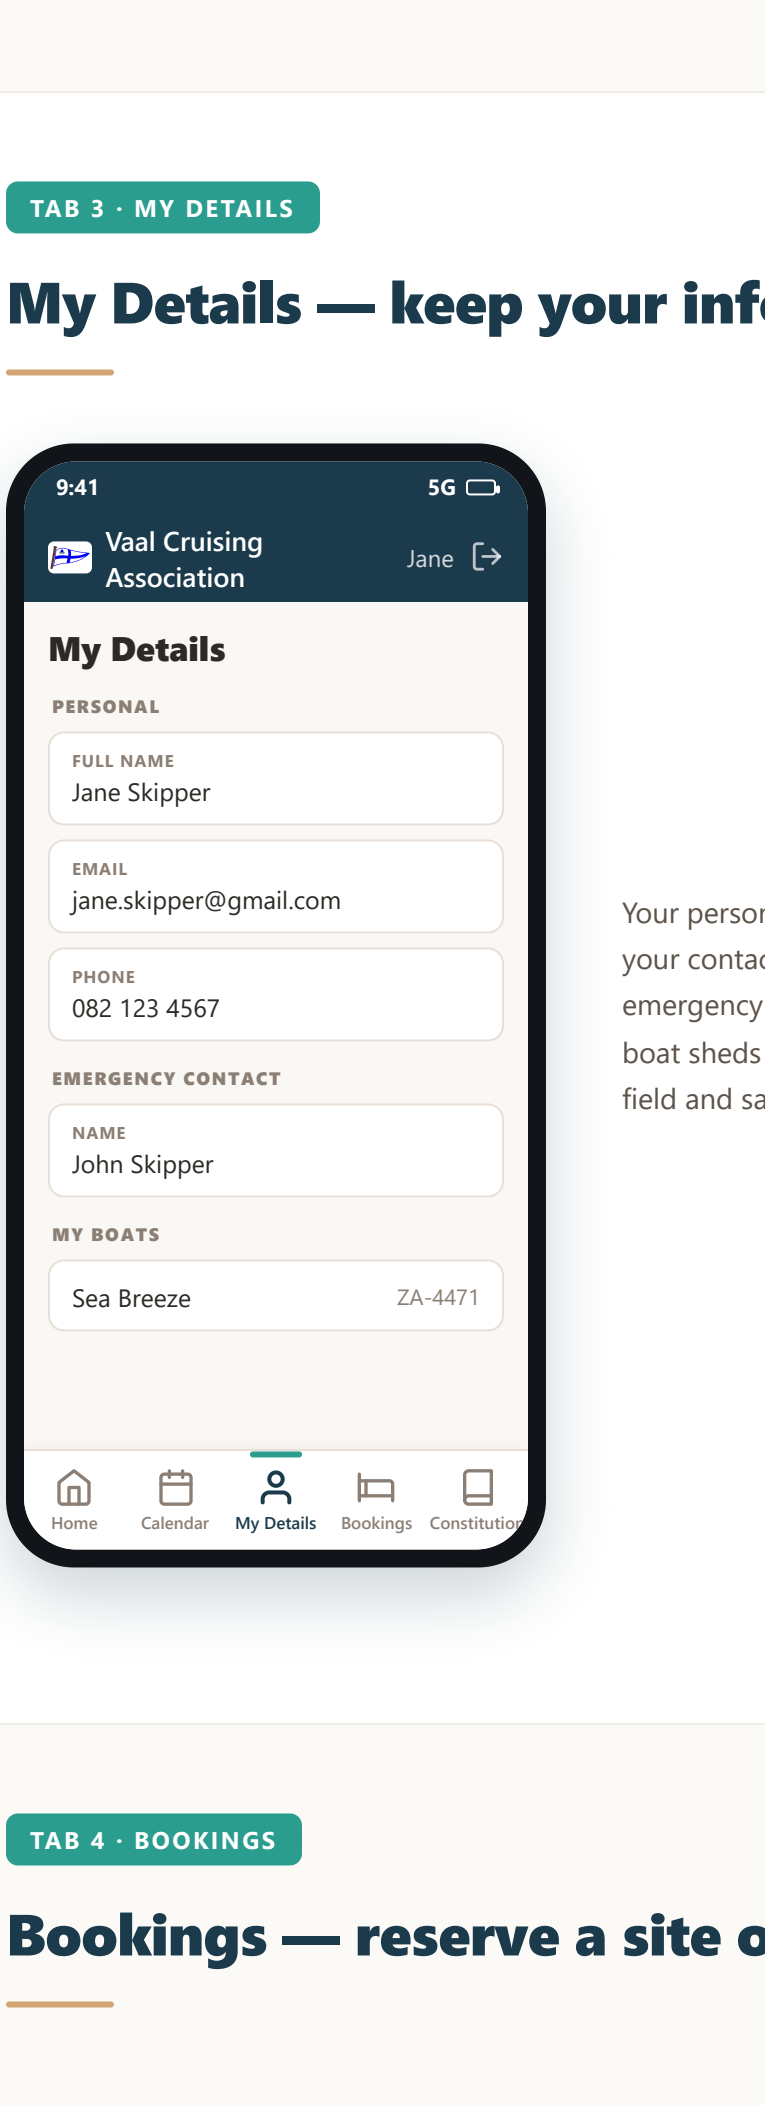

The one-time "Add to Home Screen" prompt on Android. On iPhone, use Safari's Share button — Add to Home Screen.

HANDY TIP

Add the portal to your home screen

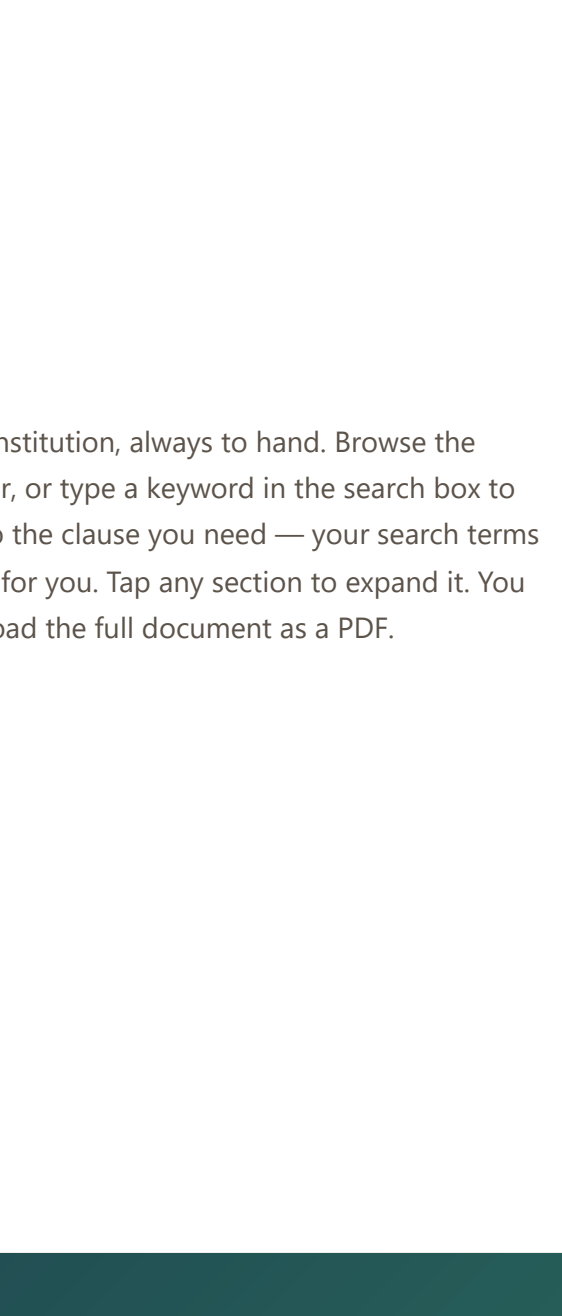

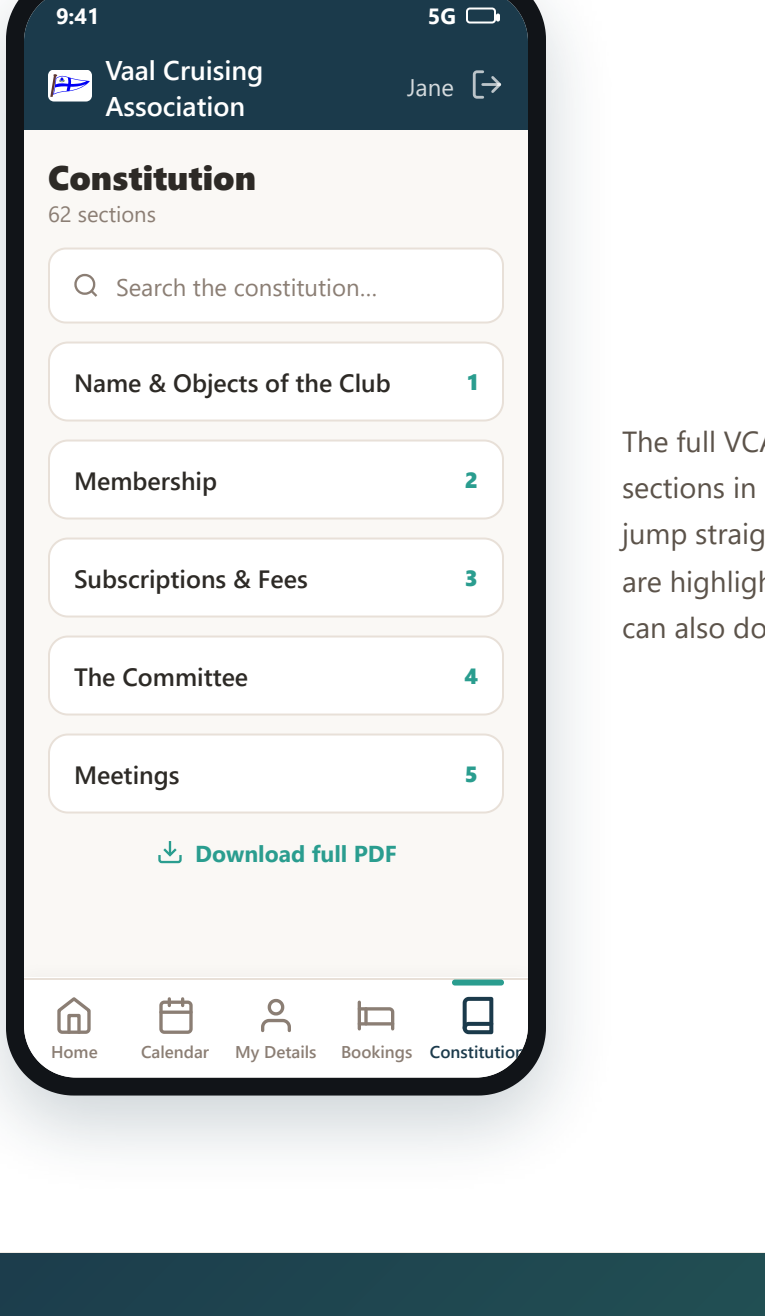

The portal can live on your phone just like an app — a tap on your home screen opens it full-screen, no browser bar, no typing the address each time. The first time you visit, you'll usually see an **Add to Home Screen** prompt at the bottom. If you missed it, it's easy to add manually.

THE TOUR

Your portal, at a glance

Everything lives behind five simple tabs along the bottom of the screen. Tap any of them to jump straight to that section — no menus to hunt through. The highlighted tab shows where you are.

TAB 1 · HOME

Home — your dashboard

The first thing you see. At a glance you get:

Your bar tab & credit

How much you owe right now, plus your available club credit — with buttons to load more credit or open the full tab.

Club account balance

A snapshot of your account with the club.

Upcoming events

The next few things happening at the club.

Your bookings & the weather

Any upcoming stays, and the current conditions on the dam.

TAB 1 · BAR TAB

Your bar tab — live

Tap **View Bar Tab** on the home screen to see every item on your open tab. Best of all, it's **live**: as you order drinks at the bar, they appear here automatically. Pull down to refresh (or reopen the tab) and you'll see the newest items and the running total.

It updates as you go. Order a round at the bar, then **refresh** the portal — the new drinks and your updated total show up straight away. No need to ask "what's on my tab?"

PAYING

Loading credit & settling your tab

There are two easy ways to keep your tab clear: keep some **club credit** topped up in advance, or **settle the outstanding balance by card** whenever you like. Card payments are handled securely by **Yoco** — the same trusted card system used across South Africa.

Settle by card with Yoco

On your bar tab, tap **Pay R... Now**. Confirm the amount, and you're taken to Yoco's secure payment page to enter your card. Once it goes through, you're brought straight back to the portal and your tab is settled.

Secure & private — you enter your card on Yoco's page; the club never sees your card details.

Any card — Visa, Mastercard, tap or type.

Small balances (a rand or two) are simply settled at the bar.

Card details are entered on Yoco's secure checkout — the club only ever receives confirmation that you've paid.

TAB 2 · CALENDAR

Calendar — what's on

A month-by-month view of everything happening at the club — sundowner cruises, braais, race days and regular fixtures. Days with an event are marked with a dot. Tap a day to see the full details: time, place and description. Use the arrows to flip between months.

TAB 3 · MY DETAILS

My Details — keep your info current

Your personal record with the club. Review and update your contact details, your partner's details, and your emergency contact. You can also list your boats, sites and boat sheds so the club's records stay accurate. Just edit a field and save.

TAB 4 · BOOKINGS

Bookings — reserve a site or caravan

Book your stay at the club in a few taps. Choose a **caravan site**, a **camping** spot or a **day visit**, pick your dates, and pay online by card or by EFT. You can book for yourself or for a visitor. Your upcoming and past bookings are listed here too, each with its status — **PENDING** until paid, then **PAID**.

TAB 5 · CONSTITUTION

Constitution — the club rulebook

The full VCA constitution, always to hand. Browse the sections in order, or type a keyword in the search box to jump straight to the clause you need — your search terms are highlighted for you. Tap any section to expand it. You can also download the full document as a PDF.

Fair winds!

You're all set. Log in any time at portal.vaalcruising.co.za — and add it to your home screen for one-tap access.
